

May 2022

Dear Potential Exhibitor,

We're proud to invite you to join us as an exhibitor at the [2022 National Marine Educators Association \(NMEA\) Conference](#), which is being hosted by the New York State Marine Education Association (NYSMEA) at Hofstra University in July.

NMEA is a national, member-based organization dedicated to advancing the understanding and protection of our freshwater and marine ecosystems. During the week of the conference, you will be joined by hundreds of formal and informal educators, research scientists, and state and federal agency representatives to exchange information and build connections that may inspire new ideas for working towards resiliency. In addition to the "in person" audience, you'll also benefit from our "virtual" conference attendees' link, where you'll reach hundreds of more participants.

Exhibiting will take place on **Sunday, July 10th from 12:00 pm to 6:00 pm**, and on **Monday, July 11th from 10:00 am to 2:00 pm** in the Multipurpose Room of the [Mack Student Center](#). The price per table will be \$150.00 for the two days and includes two boxed lunches and two snacks.

We would love to have you join us! If you cannot attend the conference as an exhibitor but would like to send materials to give to the conference attendees, please let us know.

Please notify us of your interest by emailing to NYSMEA22Exhibitors@nysmea.org and we will get back to you.

Sincerely,

Pam Duryea,
Kimberly Williams,
Tara Hicks Johnson
NMEA 2022 Exhibitor Committee
